

LAUGFS OPTIMA

Economically drives ecological

Lower Energy Consumption

Tread compound designed with low hysteresis properties

Ride Comfort

Middle layer protects from hysteresis and provides an excellent cushion effect

STABILITY

Flat tread surface increases tyre stability and grip

Massive tread depth

increases tyre life and traction

LAUGFS OPTIMA TYRES have been engineered to facilitate the demand of material handling equipment using environmentally friendly materials. Providing the lowest cost per hour and high wear life, it is an exemplary choice for economically steered customers.

LIMITED WARRANTY

All tires manufactured by LAUGFS Corporation (Rubber) Limited are covered under limited warranty against materials, workmanship and any other manufacturing defects subjected to the usage under specified conditions. If any tire covered by this warranty is defined as unserviceable tire due to a material/ workmanship/ any other manufacturing defect, we will either repair the tire or make an allowance on purchase of new tire as per the current price of a new tire by the percentage of original tread worn off at the time of making the claim.

The cost of transportation, service, and sales tax already paid will be borne by the owner of the claimed tire. This limited warranty is made for the exclusive benefit of the tire owner actually using the product. No other warranty of liability, expressed or implied, is applicable to this limited warranty or to our products.
